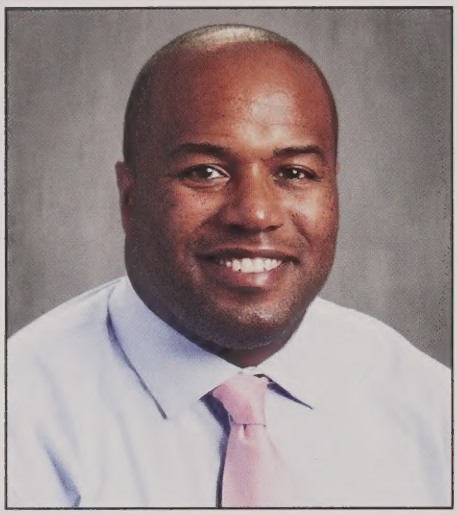
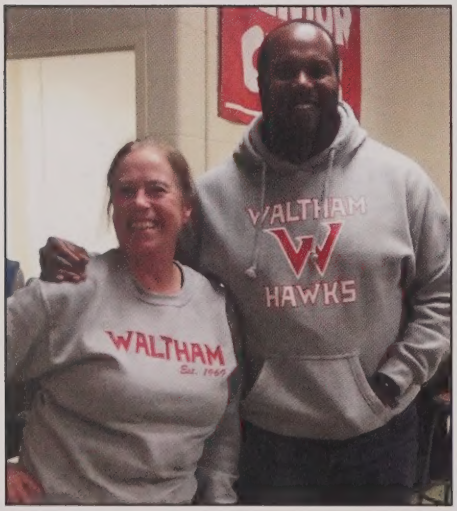
In Dedication:

MR. BRAGGS



Mr. Braggs on school picture day.

Representing his Alma Mater at the college fair.



Mrs. Rayne & Mr. Braggs

The yearbook staff would like to dedicate the 2020 Mirror to the Senior Class Associate Principal, Mr. Braggs. Before his time at Waltham High School, Mr. Braggs received his Bachelor's degree in History at Western New England University; earned his Master's Degree in History and Education at Framingham State University as well as a Master's Degree in Educational Leadership and Administration at Endicott College. He spent eleven years as a history teacher at Framingham High School. His years of experience in education made it clear that he would be a good fit for the job of an Associate Principal.

Mr. Braggs has been the Associate Principal for the class 2020 since 2017 and his dedication to his work and students has been unbelievable. He took over when the class of 2020 were sophomores, and rose to the challenge in bringing the class together and setting new norms. He has created countless trusting relationships with both students and staff and has greatly invested himself in the success of his students. He made sure he was present at all of the class's events, was often seen in the fan section supporting the athletes, and honked his horn the loudest when parading through Waltham neighborhoods congratulating the seniors on their accomplishments. Our time at Waltham High would not have been the same without his endless support, friendly smile, and calm voice of reason.

Thank you Mr.Braggs for your unwavering support and the best three years the class of 2020 could ever imagine. Your next class is so lucky to have you as their Associate Principal.

To the Class of 2020...

Congratulations to the members of the graduating class of 2020. You represent the excellence that we strive for at Waltham High School. I ask that you live by the words of Apple's cofounder Steve Jobs, by encouraging you to, "Live your dreams." I also challenge the class of 2020 to build a community, where ALL feel welcomed, included, heard, loved, and inspired to realize their own full potential. As you take on this challenge, I encourage you to be bold; be curious; be innovative; and, most importantly, be yourself.

Sincerely, Mr. Maiorano

Hi Class of 2020,

When I met you only 3 short years ago it was one of the most exciting days of my life. I was excited and also extremely nervous about whether or not you would accept "the new guy". But we grew to get to know and learn from each other and I must say it exponentially exceeded my expectations. I am forever indebted to you for making me feel welcome and making Waltham feel like my new home.

As for you at the close of our class meetings over those 3 years I always challenged you with the same message. DON'T BE AFRAID. Don't be afraid to set goals; Don't be afraid to take risks; Don't be afraid to ask for help; and Don't be afraid to fail. As our world continues to evolve and can be a scary place, please continue to not be afraid. Within the class of 2020, we have great minds and skills who can make this world a better place so I now and will forever encourage you to not be afraid.

Thank you and I love you, Mr. Braggs

FALL SPORTS

CROSS COUNTRY

This year we definitely bonded more as a team. From zoo doo to capture the flag practices, our team became a family. We all have each other's backs. The Fall 2019 season also saw the addition of Brendan Wilder, who consistently placed within the top 10 of every race we ran. This year everyone was faster than the year previous, partly due to our incredible coach Mr. Hulleberg and partly due to our Snack Captain Martin Sieving, who brought granola bars, popsicles and chocolate milk to every meet. Ella Wozek had shin splints the entire season, but she still managed to be our fastest female runner. Overall, we were much stronger as a team this year than we have been in years past, and I'm hopeful to see how well we will do next year. If this year is any indicator, we will continue to get better and better

Caroline Crowley
"I want to be remembered for my hard work, positive attitude, and dedication to the team for the past 4 seasons."

Alexander Pillette
"Don't forget your running shoes!."

James Orangio
"And that's on Perry's hat!"

Julia Sampson

Cydney Abnet
"Bro I am straight up not having a good time right now."

Seniors: Caroline Crowley, Jack Keelan, James Orangio, Alexander Pilette.
Juniors: Cydney Abnet, Julia Sampson, Genesis Lopez, Gabriel Millan, Sam Williamson.
Sophomores: Lucas Daly, Kathryn Flaherty, Owen Hutchinson, Connor Kelleher, Peter Marriot, Seamus Pilette, Martin Sieving, Ella Wozek.
Freshman: Elizabeth Shephard, Brendan Wilder.
Coach: Anders Hulleberg Assistant Coach: Anna Newman

FIELD HOCKEY

Although the 2019 Field Hockey Varsity Field Hockey Team did not earn enough points for the tournament this year, there was much excitement along with many life lessons and growth experienced throughout the season. The Newton North game, in a consistent torrential downpour, was certainly a highlight of the season. The strength, courage and team chemistry displayed that day in such adverse conditions was amazing! Throughout the season, senior Captains Olivia Guden and Isla MacPherson led the defense and offense respectively versus a very challenging Dual County League: Isla as the leading scorer and playmaker and Olivia as one of the most impactful midfielders in the league. Olivia, along with GK Riley Keirnan, and Jr. Jessica McPherson earned DCL All-Star status. Several of these ladies were nominated for the Joanne Paquette Senior Academic Award with Olivia and Kenzie being nominated for the National High School Field Hockey Coaches National All-Academic Team!

SOCCER

The soccer team worked hard but didn't get all the results they wanted. One of the first losses against LS turned out to be the most important game and it lead to them being called lowly. The captains tried to rile up everyone to rise above the "lowly" status they were given. With the organization that was received, tough routine and fired up spirit, there is a chance that the soccer program will become something spectacular in the years to come!

COLLEGE BOUND!

Seniors were getting news of college acceptance and could not share their excitement in school due to the COVID-19 restrictions. All the teachers wanted to do was celebrate them. So, the teachers organized a parade and visited the homes of hundreds of seniors over the course of a couple of Saturdays. Horns honked, streamers flew, the mayor waved, and children and pets celebrated alongside the adults. The teachers certainly miss the students, but hopefully this brought a little joy to the quarantine.

Funny how a photograph.
Can take you back in time.
To places and races that you thought you'd left behind.
Trying to remind you that you're not the only one.
That no-one is an island when all is said and done.

If you feel lost.
And on your own.
And far from home.
You're never alone you know.
Just think of your friends.
The ones who care
They all will be waiting there.
With love to share.
And your heart will lead you home
- Kenny Loggins
